

Hanson Hills Ski Park To Open This Weekend

(by Joe Schrader)

Dave Wyss, Hanson Hills Ski Park Manager, announced that the facility will officially open up to skiers this coming weekend. Wyss outlined some of the park's aims for this year's season. The community schools, as a part of its adult enrichment program, will offer classes beginning sometime the week of January 8th, in basic, intermediate and advanced skiing. Anyone interested in this program should contact the Community Schools office at the high school.

Beginning classes will also be held at the park for children between the ages of 3 and 6 years old. These classes will be held on Saturday mornings, also beginning sometime in January.

Ski classes for 4th and 5th graders are also being planned this ski season, sometime during February, with after-school hours of 3:15 p.m. to 5:00 p.m. being anticipated.

Reward Offered in School Bus Vandalism

(by Joe Schrader)

A reward of an undisclosed amount is being offered by the Crawford County Public School System and the Federation of Teachers for information leading to the apprehension and conviction of vandals who disabled some 18 school buses, closing local schools on Monday, November 20th. Damage to the vehicles was estimated at well over \$600, and occurred at the bus corral next to the high school.

School Superintendent William Diedrich reported that the local police agencies are active in their investigation of the vandalism and the cash reward is being offered to encourage people with any knowledge of the incident to come forth so that persons responsible for the vandalism can be apprehended.

Applications for 1979 Miss Grayling Contest

The Miss Grayling Contest is a very important segment of the Winter Sports Festival and a reflection of the pride a community has in its young women.

If you want to represent our community as Miss Grayling or have someone you want to recommend, please pick up an application at the Chamber of Commerce or High School Office.

She must be between the ages of 17 and 20, single, and a resident of Crawford County. What could be lovelier than spending the up-coming year representing your community as its queen?

For further information please contact the Chamber of Commerce at 348-3336 or Norma Naur at 348-6481.

The queen and her court will be chosen at the Winter Carnival Kick-Off Dinner.

Legion's 33rd Annual Kiddies Christmas Party December 21st

The American Legion, Grayling Post 106, will hold its 33rd annual Kiddies Christmas Party for Crawford County children on Thursday, December 21st.

The schedule will be the same as last year when the Frederic pre-school, and grades kindergarten through 6th, will be entertained at the Frederic Elementary School from 9:00 a.m. until 10:30 a.m.

The party will then move to the Legion Hall in Grayling where the balance of the day's entertainment will be as follows:

11:00-11:30—Kindergarten, (1) 5th Grade and Pre-schoolers.
12:15-12:45—Fourth Graders.
12:45-1:15—Kindergarten & 5th Grade.
1:15-1:45—First Graders.
1:45-2:15—Second Graders.
2:15-2:45—Third Graders.

Contributions are being accepted by the Legion Post to help defray expenses of the party. Donations may be left at the Legion Club, or given to Mike Ingalls or George Gierick.

Canoe Permit System Tried On The Pine River During 1978

by Willard Bosserman, Co. Ext. Dir.

The U.S. Forest service managed a canoe permit system on the Pine River which flows through the Manistee National Forest during the 1978 season. The forest service conducted a hearing Saturday, December 2 in the Jr. High School in Cadillac. The purpose of the hearing was to give the people attending their evaluation and to hear others.

William Spinner, U.S. Forest Service explained how the program worked. He said that the canoe use on the Pine had increased 10-fold since 1966. The permit system was initiated for a "one year trial basis. The Forest Service could do it because much of the land adjacent to the river is part of the Manistee National Forest. They had jurisdiction over most of the access points.

Spinner said the canoe livery operators had voluntarily been holding down the number of canoes that they launched. This number kept increasing and it wasn't fair to the local canoe liveries.

Spinner said permits were issued. Each canoe livery was issued a number of permits based on the number of canoes they had been launching. The liveries issued these to their customers. Private canoe users obtained theirs from the forest service permit station. They could also make reservations for their permits.

Spinner said the actual count showed the canoe traffic to be down by about 40%. He also observed that there were fewer behavior

problems. He couldn't explain why this was happening, however. He also observed less litter.

David Pearson, representing the "Kalamazoo Downstreamer", said they gave up canoeing the Pine River because it was too crowded. They did make reservations and canoe it over Labor Day. They liked canoeing as there were fewer canoes and praised the U.S. Forest Service for their efforts.

Three people representing property owners and fishing interests indicated that the program didn't limit the canoe numbers enough. They didn't notice any reduction in canoe traffic nor in the amount of rowdiness. They suggested the program go further in having one or two days a week with no canoes. They suggested time zoning where no canoes would be launched before 9 a.m. and be off the river by 6 p.m.

Mr. Horina, owner of Horina's canoe livery said he was speaking for the rest of the six canoe liveries when he praised the U.S. Forest Service for their program. He thought it should be operated for at least 2 more years as to give it a fair chance. He indicated that a day a week with no canoeing would not be acceptable to the canoe livery operators.

There was no indication from the U.S. Forest Service whether or not they would continue the program another year. They conducted it on a trial basis. Spinner indicated they would like to have the Michigan Department of Natural Resources take over in the future.

Santa Claus at Bank This Friday Night

Through the efforts of Jack Alef, President of the Grayling State Bank, arrangements have been made with Santa Claus to meet with area children this Friday evening, December 15th. St. Nick will be at the bank from 6:00 p.m. until 8:00 p.m.

An invitation is extended to all children in the county to come in and visit with him.

Bits O' Talk

(By Fay Bovee)

Norman and Mary Sorenson and children, Paula and Kent, of Mt. Pleasant, were weekend guests of his sister and family, the Bill Cox family, on Ionia Street. They came to attend the Cox-Tiffin wedding on Saturday.

Jamie Cox was home on a 14-day leave from the US Navy. He arrived at the home of his parents, Bill and Nancy Cox, from Navy Submarine School in Groton, Conn., and left for his new duty aboard the USS Theodore Roosevelt, a nuclear-powered submarine at Pearl Harbor.

Mrs. Suzanne Wilde and son Jeremy, were to leave Wednesday, for their home in Denver, Colorado. She and her husband, John, had been in the northern part of the lower peninsula on a deer hunting trip and she remained here for a while with her parents, Mr. and Mrs. Fred Bishaw, before returning home.

The Senior Choir of the United Methodist Church, on Michigan Avenue, will be presenting their Christmas Cantata at the 11 o'clock service on Sunday, December 17.

Mr. and Mrs. Carl Richardson, former Grayling residents, were overnight guests of Mr. and Mrs. Joseph Stripe last Thursday.

Grayling Student in Alma College Kiltie Band

ALMA — Alma College student Robert Harris, a senior from Grayling, plays cornet in the Alma College Kiltie Band, which presented a fall term concert Friday, December 8. During football season, the Kiltie Band provides the halftime entertainment.

In addition to performing on campus, the band also has an annual tour. The 1978-79 tour will be a trip to Florida over Alma's winter term break, March 3 to 11. Preceding the Florida tour will be a major concert February 9 in Detroit's Ford Auditorium when both the Kiltie Band and the A Cappella Choir present Alma College in Concert.

The band's last formal concert for the year will be at 3 p.m., April 1 in Alma's Tyler Auditorium. The band also plays for both the honors convocation and the commencement exercises in April.

A 1975 graduate of Grayling High School, Robert is the son of Lottie Harris of Route #3, Grayling.

piest games ever played here in a long time." It was cold shooting from the field on the part of the Vikes that cost them a chance for victory. They hit on only 18 of 65 field goal attempts, a cool 27%.

Geoff Stancil had a career high of 25 points for Grayling to lead the offense and also hauled down 14 rebounds. Olsen hit for eight. Parkinson had 6, Mike Walsh 3, Helsel and Dunckley 2 apiece and Mike Chrisman added one.

"We played good man-to-man defense," reflected Wolcott after the loss, "we just couldn't capitalize on offense. We just failed to get those second shots in the second half." Fleming and Lewis hit for 15 apiece to lead the Gaylord offensive attack.

The Vikes were in Charlevoix this past Tuesday night to face the Red Raiders and will hit the trail again Friday to face the Saints of St. Ignace, both are conference tilts.

In preliminary contests last week, the Junior Vikes dropped both contests, by closer margins, though. The first was on Tuesday to Cheboygan, 55-51, then to the Blue Devils here at home, 55-50.

The Vikes, under Coach Warren "Butch" Hayes, were led on Tuesday in scoring by John Junttila with 18 points, followed closely by Billy Roach with 17. In the loss to Gaylord on Friday, Roach and Junttila again led the Viking offensive attack with 13 points apiece.

Following a postponement last week in a scheduled contest against Cheboygan, Coach Bob Hannan's Freshman squad got its season off on the right note this Monday night here at home against Charlevoix, tripping the Red Raiders in a close contest, 53-50. "It was just a good all-around team effort," commented Hannan following his team's close victory. The Vikes led by 7 at halftime, 29-22, but the Red Raiders made a battle of it in the second half, but Grayling prevailed at the buzzer by 3 points.

Tracey Fagan led the Vikes with 15 points in a balanced scoring attack. Paul Harlund hit double figures with 12, with Terry Norman, Ted Melhimer and Jim Harlund hitting for 8 apiece. The Vikes hosted St. Ignace on Wednesday night.

From Our Corner ...

'Tis the season to be jolly ...
And danged if we wouldn't be if this column was finished for this week and we could go home and listen to our Christmas music tapes ...
Come to think of it, we used to have Christmas music right downtown before some hoodlums ripped off the speakers at Olson's a few weeks ago ... That is what we are missing tonight ...
We can't explain it, but, Christmas music has a soothing effect on us, and we can lean back, relax, and forget all about the problems that seem to crop up at different times ...
It seems like ever so often we have to explain our policy on Letters to the Editor ... and the biggest bugaboo is the fact we receive them without a signature, or signed a concerned citizen, or, the name is typed without signing it ... These find their way into file 13, promptly ... meaning we do not even try to find out the validity of their contents.
We reserve the right to edit them, if we feel they are not in good taste, or possibly libelous ... which we are just as responsible for as the writer ... And, we became allergic to law suits a few years back ... which was over a Letter to the Editor.

There are other times we wished we were just plain old Joe Doaks ... they are when the topic of District Court news that appears each week ... Numerous times we receive calls asking if we could leave out this name or another ... We do not do our job to hurt anyone ... but, if we started to leave names out at random we don't feel we would be doing the job that is expected of an editor of a newspaper ...

We feel compassion for most of those who appear in the District Court News ... We think quite a bit about this column, and especially when we are requested to leave a name out, and end up with the only two alternatives ... stop running the column, or not let it bother us when we have to say no we can't leave the name out once the person has been arraigned before the judge.

Believe me, we do not relish in this portion of our job.

An idle thought ... Now that they have me carrying back my returnable orange pop cans, and others their different kinds of beverages, in order to get a refill, due to the recent election ... we have been wondering if by next election we will vote to have to return our pork 'n beans cans, and those soup cans by Campbell, and all the other products put in cans?

As far as we're concerned, there is not much difference ...

We have to bring this up once again ... only because the halo is fitting just right now ... Come Sunday the 17th, this young fella will pass one more milestone in which we have not puffed on one of those cigs for three years ... Now for us, that is an accomplishment, and just proves anyone, really, can do the same. Our will-power is practically nil when it comes to the vices a man has to fight off in these naughty days ...

So, if we can do it ... there is much help for those who are still hooked on the weed.

Just in case we may forget in next week's column, we learned Sunday that we were going to have company from T.C. for Saturday and Sunday, prior to Christmas ... We'll try to remember next week to let you know who all is coming over ... We understand T.J. and Stef have to be home Christmas morning to see if Santa stopped at their house ...

Have a nice weekend ... 'tis the season to be jolly, and we're heading home now to relax and listen to the Christmas music ...

4-H Planning Exchange Program

Labo Intern'l. Exchange Foundation, together with 4-H, is planning an exchange program for Japanese and American youth, slated for 1979-1980.

The basic goals of this program are to provide an opportunity for young people of two different cultures to establish a close relationship, and to learn about and appreciate a different people and their culture.

Young people from Labo Foundation are matched according to sex and age with 4-H members.

Correspondence between the two families is started as soon as possible. This is an important part of the program as it involves the whole family and the parents feel more secure about sending their child to a foreign country when the host family is known to them. This also relieves some of the apprehensions of the child.

This is a two-year reciprocal program for those families who wish to participate fully and, though not required, it is encouraged that the 4-H youth make a return trip to Japan the following summer.

Host families are needed for Japanese youth, and also for their Japanese counterparts. This program benefits not only the youth involved, but the whole family, providing the opportunity to learn first-hand of another culture and develop a lasting friendship with a family abroad.

Interested families please contact the Cooperative Extension Service Office at 275-5043.

Rita Fay,
4-H Program Assistant

The Bible Speaks

From Calvary Baptist Church

The Last Invitation Of Revelation

Revelation 22:17

Sandwiched between the Presentation of the Bible to the churches in verse 16 and the preservation of the Bible by the churches in verses 18 and 19, is the great proclamation of the Bible by the churches in verse 17. "And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely."

The bride of Christ is the church. Read Ephesians 5:21-32 if you have any doubts of this. Remember also our study of the marriage supper of the lamb here in Revelation. The Holy Spirit of God through the Word of God spoken by members of the churches of God invite the lost of the world to come to Jesus Christ. The word "come" is used over 600 times in the Bible. God does not reveal the terrible judgments to fall upon this earth yet in the future without offering humanity a way out.

Why are there hundreds of persons in Crawford County who will not answer the call to come to Jesus? They simply have no desire or wish to make such a decision. They would rather take their chances blindly facing the future than to yield their hearts and lives to Jesus Christ.

Jesus reminds us of the danger of such thinking. "He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus." Verse 20. Now is the only time you are assured of making a decision for Christ. At His return it will be too late to avoid the Great Tribulation. He will descend so quickly or rapidly there will be no time to repent of sin and invite Him to enter your heart.

The return of Jesus Christ is the great hope and prayer of every saint. It is the dread of judgment for the sinner. Every clap of thunder should be a sound of joy to the Christian. The same clap of thunder should bring chills of horror to the unbeliever.

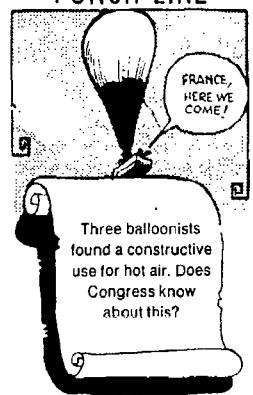

The Revelation closes with a reminder of God's grace upon His own believers. "The grace of our Lord Jesus Christ be with you all. Amen." Verse 21. The person who rejects Jesus Christ "shall not see life; but the wrath of God abideth on him."

As we complete this two year study of Revelation, I hope the

people of Grayling have learned a few precious spiritual truths. First, if the so-called deep, dark book of Revelation can be simply understood by a literal verse by verse interpretation, so can the entire Bible. Second, the future judgment of God upon this earth and all unbelievers is certain and extremely severe. Third, every person has an invitation to avoid the impending doom if they have the desire and will to do so, by simple faith in Jesus Christ. And last, the glorious blessings of life in the New Jerusalem, reigning 1000 years with Christ on this earth, and spending eternity with Christ and the family of God, far outweigh any present benefit Satan. Sin or Self can bring. (adv.)

NOTICE OF MORTGAGE SALE

MORTGAGE SALE—Default having been made in the terms and conditions of a certain mortgage made by John K. Mason, of Grayling, Crawford County, Michigan, Mortgagee, to Theodore J. Leslie and Ingeborg Leslie, husband and wife, of Grayling, Crawford County, Michigan, Mortgagee, dated the 2nd day of May, 1972, and recorded in the Office of the Register of Deeds for the County of Crawford and State of Michigan, on the 11th day of May, 1972, in Liber 117 of Records, page 218, which mortgage was assigned by Theodore J. Leslie and Ingeborg Leslie to Russell A. McLaughlin, of Houghton Lake, Roscommon County, Michigan, by an Assignment of Mortgage dated the 24th day of July, 1972, and recorded in the Office of the Register of Deeds for the County of Crawford and State of Michigan, on the 25th day of July, 1972, in Liber 119 of Records, page 89-90, on which mortgage there is claimed to be due, at the date of this notice, the sum of \$9,123.95.

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof.

NOW THEREFORE, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Friday, the 19th day of January, 1979, at 10:00 a.m., said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at seven percent (7%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law; and also any sum or sums which may be paid by the undersigned necessary to protect his interest in the premises.

Said premises are described as situated in the Township of Grayling, County of Crawford and State of Michigan, viz:

Commencing 305.6 feet West of the East 1/8 post on the North 1/8 line of the NW 1/4 of the NE 1/4, Section 13, Town 26 North, Range 4 West; thence Northwest 404.3 feet; thence Easterly 76.54 feet; thence Southeast 351.1 feet to the centerline of Old M-93; thence Southwest 404.3 feet to Point of Beginning.

The redemption period shall be six months from the date of such sale.

Road Commission Minutes

December 4, 1978

A regular meeting of the Crawford County Road Commission held in their office in Grayling, Chairman Millikin presiding. Present were Chairman LeRoy Millikin, Commissioners Ervin E. Richter and Grover Cason, Manager Charles Fox, Secretary Lorna Bernard, Absent, Engineer Ron Herneke. In attendance in morning session, Gloria Kraus.

Bill Kusey and Joe Martin, from the Department of Natural Resources, appeared before the Board about the future plans for the road that is the Northern most boundary of Hartwick Pines.

Joe Wakely, Crawford County Treasurer, appeared before the Board regarding the financial status of the Road Commission.

Dick Shockley, from the Manistee Insurance Co., appeared before the Board regarding the Pacing and Life Insurance of the employees of the Road Commission. After some discussion, a resolution was made by Ervin Richter that the employees be allowed to carry a GCO rider on their life insurance plan whereby the employees pay the premium. Mr. Shockley will appear before the employees to explain the benefits to them. The motion was seconded by Grover Cason, Grover Cason and LeRoy Millikin voted yes, Ervin Richter nay, motion carried.

The Board broke for lunch and after convening at 1:00, Grover Cason made a motion to close the doors for interviews of the Assistant Foreman's position, seconded by Ervin Richter. All voted in favor, motion carried.

After the doors were opened the announcement was made that True Packman was picked to be assistant County Foreman.

Applications for permits were received by Consumers Power Co. to install an underground single phase primary line below the S. Ausable Trail, and an application from General Telephone Company to bury a telephone communications cable to various locations in the county per permit in the Road Commission office. Grover Cason made a motion to accept the permits, seconded by Ervin Richter. All voted in favor, motion carried, permits signed.

The maintenance and supply of Brine at the Martindale and Beaver Creek Brine wells were discussed by the Board. Further information to be accumulated regarding this matter at another meeting.

The Board discussed the abandonment of an alley in Portage Lake Park. After discussion, Ervin Richter made a motion, and seconded by Grover Cason, that the following resolution be adopted, subject to the conditions in the abandonment agreement: RESOLUTION of the Board of Crawford County Road Commission, Closing and Absolute Abandonment of an Alley in Portage Lake Park.

WHEREAS: A public hearing was held in Grayling, at the Township Hall on October 14, 1978 at 7:00 p.m.

WHEREAS: At a regular meeting of the Board of Crawford County Road Commissioners a decision has been taken to give the abandonment of a 12' alley running SE 1/4 from Lincoln Park Blvd., between Lot 25 and Lots 26, 27, 28, 29 and 30 of Block 1, 2nd addition of Portage Lake Park. In exchange for ownership to the Crawford County Road Commission, Lot 20, Block 1, 2nd addition to Portage Lake Park, Grayling Township, Crawford County.

The Board also discussed the abandonment of King Road. Grover Cason made a motion to deny the abandonment, seconded by Ervin Richter. All voted in favor for the denial as follows:

WHEREAS: A public hearing was held in Grayling, at the Township Hall on October 14, 1978 at 7:00 p.m.

WHEREAS: At a regular meeting of the Crawford County Road Commission held on December 4, 1978, the said commission having considered the petition of Robert W. Larson to abandon King Rd., adjacent to his property, and the said Commission being apprised of the facts and circumstances relevant thereto, NOW THEREFORE, it is the decision of the Crawford County Road Commission that the said petition of the abandonment be and is hereby denied.

There being no further business, Grover Cason made a motion to adjourn, seconded by Ervin Richter. All voted in favor, meeting adjourned.

SNOWMOBILE SAFETY—Deputy Art Clough came to the Grayling Elementary School and told us about snowmobile safety in Mrs. Akers' room, and Mr. Hayes' room came over and listened. In the picture you see Deputy Art Clough and Nick Parrett and Wanda Gabriel. Mr. Dean Goss presented the same program to the Frederic Elementary School Junior Deputies on Wednesday. (by Wayne Casler and Scott Davis, Dec. 5, 1978)

BASKET WEAVING—On December 8, 1978, at the Grayling Elementary School, Mrs. Cathy Hickey came to demonstrate basket weaving. Two things Mrs. Hickey uses to weave are splint and reed. She made Christmas bells, candy cane holders, a baby rattle, and lots of baskets. Some of the colors are from onion skins and black walnuts. In the picture above, Mrs. Hickey and her daughter, Erin, holding the basket, were telling Mr. Hayes' class about weaving, while Mr. Hayes took a picture. Mrs. Hickey has been weaving for four years. She plans to teach weaving in the fall. (Written by Betsy Burns and Jennifer Ojala)

LEARN ABOUT BEES—Mr. Taylor came to the Grayling Elementary School to talk to Mrs. McEvers' fourth grade science classes. He brought bee equipment. He brought the smoker which makes it easier to get the bees away from the honey. He brought bee's wax and honey and the foundations which bees use to form honeycombs. Bees can only see black and white. Mr. Taylor told us about the "bee line". It is the shortest line between two places. Pictured are Betsy Burns, Mr. Taylor and David Baker. (Written by Carolyn DiGiovanni and Pat Mier)

DECORATE CHRISTMAS TREE—Miss Parker's and Mrs. Lauria's Resource Rooms at Grayling Elementary decorated the Christmas tree in front of the school. Students involved were Pepper Gorton, Jeff Wrona, Michelle Mitchell, Tommy Dean, Bobby Beach, Chris Wylie and Bobby Rollins. Bonnie McPherson, a teacher's aide, also helped.

HELPFUL IDEAS FOR SUCCESSFUL RETIREMENT

Appealing A Decision
You can take four basic steps should you desire to appeal a Social Security Administration decision regarding retirement, survivor or disability benefits. First, you may file request for reconsideration of your case. Second, you can request a hearing by an administrative law judge. Third, a review by the Appeals Court of the Social Security Administration is an option. Finally, if you're still not satisfied, a lawsuit can be initiated in a United States District Court.

According to current statutes, the Social Security Administration must provide all the forms necessary to assist you in your appeal. Should you desire the aid of a lawyer, the Social Security office should be able to provide a list of legal service organizations — including the local bar association, the Legal Aid Society or similar groups.

After you've made a choice of legal help, the Social Security Administration must formally appoint your representative and authorize the amount of any fees to be charged. Special procedures must be followed when having a proposed fee approved. Contact the Social Security Administration for the proper forms and specific information.

The Middle School cage season got underway Monday night with the 7th and 8th grade teams both seeing action against Cheboygan.

The 8th grade squad rolled up a 19-7 halftime lead against the Chiefs, then rolled to a 42-25 victory. The win avenged a loss to the same team last year which cost the Vikings the Cheboygan Invitational Tournament championship.

Russ Phillips coaches the 8th grade squad which was led against the Chiefs by Jim Schrader with 17 points and Cliff Both with 7.

The seventh grade team was not as fortunate Monday, though, as they bowed to the Chief squad, 46-21. Dave Brooks led the Viking offense with 9 points, while Rob Morrill chipped in with six.

Middle School cage action will continue next week with the seventh grade "A" and

"B" squads hosting Houghton Lake here on Monday with the 8th grade squads traveling to Houghton Lake for two contests the same night.

Athletic Director Art Thayer announced that Monday night here at home will be the Pom-Pom Girls Parents Night, during which parents of the girls will be honored. Alice Lattimer, Pom-Pom Girl sponsor, will be leaving Grayling the end of the first semester to move to Florida.

Monday Nite Bridge
Monday Night Bridge met at Carolyn DiPonio's lovely new home. She served crab and french dip with assorted crackers and vegetable during the evening.

Kae Lund and Carolyn DiPonio were high, Barb Hazen and Sandy Cory were low.

Carolyn was presented with a house-warming gift from her friends.

SISTER MARY HILDA, R.S.M., Administrator, is appreciative of the expression of interest and support shown by St. Hubert's Catholic Church, Higgins Lake, as she accepts their pledge towards the hospital's building fund. James Ott, Parish Council President, is shown presenting a check for \$500.00 as the first payment of a fifteen hundred dollar pledge which will be paid over a three year period. Rev. G. William Fischer, O.S.F.S., Pastor of St. Hubert's Church shared his approval as he looks on. (Photo by Al Harland)

MERCY HOSPITAL, GRAYLING, recently received a welcome boost for its building fund from the Lewiston Lions Club. Sister Mary Hilda, R.S.M., Administrator, gratefully accepts a \$500.00 check from Greg Arbogast, Lewiston Lions Club President, as Stanley Jones, Club Secretary looks on. The Lions Club has pledged a fifteen hundred gift over a three year period in an effort to help the hospital meet its goal of \$500,000. That goal is part of the \$8 million total cost for the expansion and renovation program which will bring new and improved health care services to the area served by the hospital. (Photo by Al Harland)

Campaign

(Continued from page 1)

million dollar structure will add many new and improved health care services for people residing within the area served by Mercy Hospital. Sister Mary Hilda, R.S.M., Hospital Administrator explained that, "as a result of this expansion and renovation program our citizens may well be able to remain here for treatment instead of going to hospitals in other communities for medical service. We are confident Mercy Hospital will be able to provide the best health care for those in need," she added.

In an area attempt to assist in financing the costs of the expansion program, Mercy Hospital has been in the process of conducting a Capital Fund Campaign throughout the six-county area it serves. An overall goal of \$500,000 was established.

Gloria Kraus, a Grayling Businesswoman, has served as Chairperson throughout the fund-raising campaign.

Jack Witter, Mercy Hospital Development Director announced today that a total of \$330,000 has been pledged so far. Witter stated that "although the formal door-to-door campaign is near completion, it will continue on through a mail effort designed to reach residents who have not already been contacted." He went on to say that, "anyone wishing to make a pledge may do so by calling the Development Office at (517) 348-2355." Pledges to the program do not have to be effective immediately, Witter noted, "they may be submitted now with an effective date whenever most convenient to the donor."

DESERT CASTLE. Qasr Khirbat is one of several remote and solitary castles that lie scattered in a circle in the eastern desert of Jordan. Built in the 8th century by the Omayyad caliphs of Damascus, the castles (qasr in Arabic) served as hunting lodges and pleasure palaces for Omayyad rulers and their families.

YOUR WEEK AHEAD By DAMIS

Forecast Period - December 19 to December 25

- ARIES** Mar. 21-Apr. 19 It seems as though you will take things too personal in your job, task or project. Don't be super-sensitive.
- TAURUS** Apr. 20-May 20 You are going to get additional responsibilities - which you will be unhappy about, your supervisor is very indecisive.
- GEMINI** May 21-June 20 You are about as tameable as a fly. Furthermore, you will get the feeling that someone is about to let you know.
- MOONCHILD** June 21-July 22 Trivial things that happen during this cycle occur once in a life time. Meaning: You have nothing to learn from the experience.
- LEO** July 23-Aug. 22 You are up against a strong personality that will try to overpower you, and you will also be in touch with someone who is financially careless.
- VIRGO** Aug. 23-Sept. 22 You are during this cycle, going to ignore value, but the loser you are with the buck - the greater will be the return. Strange.
- LIBRA** Sept. 23-Oct. 22 You will be running up blind alleys - guided by half-truths and reports of danger. Avoid mischief makers.
- SCORPIO** Oct. 23-Nov. 21 Don't let a friend of a friend involve you in their personal affairs. This could be dangerous, this week.
- SAGITTARIUS** Nov. 22-Dec. 21 During upcoming week, you cannot expect help from an old friend. Your absence was the ingredient for your friend's new involvement.
- CAPRICORN** Dec. 22-Jan. 19 A disappointment blooms in full glory. Hold on! There's a reward! A minor setback will prove a major advantage in the long run.
- AQUARIUS** Jan. 20-Feb. 18 No question about it - your spending spree is throwing your budget off balance. Skip a bargain.
- PISCES** Feb. 19-Mar. 20 This past winter, an event occurred that will have strong overtones on this week's activities. Important - don't repeat past mistakes.

Use Precautions With Indoor Decorations This Holiday

Michigan residents are advised by State Police fire marshal officers to give proper attention to safety precautions concerning indoor decorations this holiday season to lessen risk of fires in homes or other buildings.

Fire prevention needs serious consideration all the time, fire marshal officers say, but particularly so during December when there is some tendency to overlook or neglect this safety aspect of indoor living.

Past experience of fire fighters shows that there is a possibility of fires of the type that struck a women's college dormitory in Rhode Island a year ago, killing 10

women and injuring at least 10 others. The rapid spread of that fire, officers say, was attributed to the use of flammable holiday decorations in the dormitory rooms and hallways.

To lessen the chances of harmful fires in homes and other buildings in Michigan this holiday season, the fire marshal officers ask home and office residents to consider these aspects of fire safety for guidance:

- Are your decorations made of fire retardant materials?
- Have you taken fire safety precautions with your Christmas tree?
- Are your tree lights approved and fire safe?
- Have you overloaded electric circuits?
- Are you correctly using extension cords?
- Have you piled presents with flammable wrappings too close to candles, electric lights or illuminated ornaments?
- Have you decorated your fireplace with flammable decorations?

The fire marshal officers advise any Michigan resident having questions concerning home holiday fire safety to contact the nearest fire or police department or State Police post.

Celebrate 50th Wedding Anniversary

Mr. and Mrs. Louis Legg of Route 1, Roscommon, celebrated their 50th Wedding Anniversary on November 18, 1978.

They were guests of honor at a party at the home of their son and his wife, Mr. and Mrs. Donald Legg, 705 Rose Street. The party was given by their son and his wife and their grandchildren: Pam and Dick Baker and boys, Doug and Iva Jo Legg and Linda Legg. Also here to help were their nephew and his wife, Robert and Delores Buell.

Mr. and Mrs. Legg were presented with yellow roses by their family. A buffet luncheon was enjoyed by 35 to 40 guests, with the anniversary cake centering the table. The house and cake were decorated in yellow and white.

The gift table was centered with a gold money tree and the couple received many lovely gifts.

The party was enjoyed by all. Out of town guests were from Horton, Michigan, Lake City, Kingston, Pontiac, and Roscommon.

Mr. and Mrs. Louis Legg are the parents of three sons: Donald Louis, and the late Douglas and Richard. They also have four grandchildren and three great grandchildren.

Helping Hands C.B. Club

The Crawford County Helping Hands C.B. Club will be having their Christmas Pot Luck dinner and Coffee Break, December 17th at the Sportsman's Club in Fredrick from 12 Noon until 5 p.m. There will be door prizes and a Midland C.B. Base unit as the last drawing of the day.

Also, Santa Claus will be there from 3 to 5 p.m. for the children. Everyone is welcome to join in on the fun.

We are taking up a collection for a mother and two daughters, who are in need of food items, bedding and some clothing. We are giving them their Christmas dinner and some toys for the two year old.

Anyone wishing to help can call 348-8638 or 348-5201.

Joyce Cousins, Secretary

Pre-School Christian Story Hour

Mt. Hope Lutheran Church would like to invite all 3 and 4 year-old children, and their moms or dads, to our Christian Story Hour to be held in the Church Fellowship Hall at the corner of Spruce and Vine, January 15, 1979 at 1:00 p.m. There will be a story read to the children, songs and refreshments for everyone.

Mark the date on your calendar and plan to join in the fun and fellowship. Anyone wanting more information, call 348-8305 or 348-5921.

Christmas Dinner Held

[By Fay Bovee]

The American Legion Hall was festively decorated with Christmas garlands and birch log candle holders for the Crawford AuSable School employees and their spouses, at a Christmas dinner held on Wednesday evening, December 6, 1978. About 140 people sat down to a most delicious roast beef dinner. Salads, vegetables, potatoes, breads and dessert were potluck and the variety was superb.

The remainder of the evening was spent visiting. It is hoped to make the Christmas party an annual event.

In charge of decorations was Mrs. Carole Stephan, and arrangements for the party were handled by Nancy Lemmen, Glennis Austin, Mike Wieland and Lacey Stephan.

Bride to Be

Mr. and Mrs. Alfred Krey of Grayling, announce the engagement of their daughter, Cindy, to Bart Munson, son of Mr. and Mrs. Terry Munson of Grayling. No immediate wedding date has been set.

CARD OF THANKS

The family of Camilla Sorenson wishes to thank Dr. Vernon Blaha and the staff of nurses at Mercy Hospital who cared for her during her recent illness. Also those who sent many kind expressions of sympathy, Rev. Robert Haskel for spiritual guidance, Sorenson Funeral Home, St. John Lutheran Church Women and Eastern Stars for thoughtfulness, at the time of her death. It was all a great tribute to her.

Col J.R. Lippert to Assume Command of Camp Grayling

Colonel J. R. Lippert, a 33-year U. S. Army and Michigan National Guard veteran, will assume command of Camp Grayling, MI on 16 December 1978 replacing retiring COL Ed Rutkowski.

Lippert, a Grand Ledge resident, moves to the Camp Commander's position from the job of Military Support to Civil Authorities Officer in Lansing. In that capacity he has been responsible for coordinating the emergency duty activities of the Michigan

National Guard when it is called to State Duty by the Governor.

He was born at Elwell, MI, near Alma, graduated from Alma High School in 1945 and was drafted into the U.S. Army 10 days later. Lippert served in Italy with the 88th Infantry Division for 19 months and was discharged in January 1947.

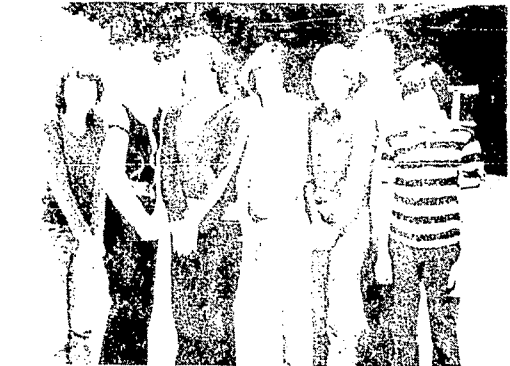

The new Camp Commander began his career in the Michigan Army National Guard by enlisting in D Company. [See Col. Lippert on page 8]

Middle School Outstanding Students

The students pictured below were nominated by their teachers as "outstanding" students for the month of November at the Grayling Middle School. Their selection was based on scholastic achievements, citizenship and outstanding efforts in the classroom. As a special treat, these students were taken to lunch at McDonald's.

6TH GRADE—Selected from the 6th grade are: Steve Falkenhagen (left), son of Mrs. Dianne Jackson of Grayling and Madelyn Thomas, daughter of Mrs. Mary Kay Thomas of Grayling. Not pictured above was Shauna Ryan, daughter of Mr. and Mrs. Charles Ryan of Grayling.

7TH GRADE—Selected from the 7th grade are: Angie Parrett (left), daughter of Mrs. Karri Parrett of Grayling; Karla Dosch, daughter of Mr. and Mrs. Paul Dosch of Grayling; Deanna Hubbard, daughter of Mr. and Mrs. Russell Hubbard of Grayling; Tanya Bartelli, daughter of Mr. and Mrs. Barry Bartelli of Grayling; Paul Gust, son of Mr. and Mrs. Larry Gust of 709 Michigan Ave.; Ann Vanderstelt, daughter of Mr. and Mrs. Richard Vanderstelt of Grayling and Dennis Hutek, son of Mr. and Mrs. Karen Hutek of Grayling. Not pictured above was Wendy Callan, daughter of Mr. and Mrs. Paul Callan of Grayling; Denise Harrington, daughter of Mr. and Mrs. Robert Harrington of Grayling and Kathy Worden, daughter of Mr. and Mrs. Duane Worden of Grayling.

8TH GRADE—Selected from the 8th grade are: Keith Nowlin (left), son of Mr. and Mrs. William Nowlin of 905 Park St.; Frank Krajenka, son of Mr. and Mrs. John Krajenka of Roscommon; Diane Whaley, daughter of Mr. and Mrs. Earl Whaley of 603 Michigan Ave.; Kris Knight, daughter of Mr. and Mrs. Roy Knight of 708 Maple St.; Shari Cote, daughter of Mr. and Mrs. Louis Cote of Roscommon and John Solomonsen, son of Mrs. Gwendolyn Solomonsen of 129 Fulton St. Not pictured above are Kay Fox, daughter of Mr. and Mrs. Vern Fox of Grayling.

Return Address, Zip Codes Will Help Delivery

Postmaster Jim Baker is reminding customers that for the best service this Xmas season they should use ZIP Codes, place their return address in the upper left corner of the envelope and use proper postage.

"By following these suggestions," Postmaster Baker says, "customers will be assured good mail service this holiday season."

It is important, the Grayling postmaster says, that families "double check" envelopes and cards to be certain that proper postage is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage-due procedures.

When the return address is placed on envelopes bearing holiday greetings, it also helps remind friends of one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Postmaster Baker says, such letters are returned to the sender with a notation that the forwarding "order" has expired.

"Michigan Jackpot" Premiers December 12th

Good things come in "threes" and that is especially true in the new Lottery instant game - "Michigan Jackpot", a touch of Las Vegas, which goes on sale Tuesday, December 12, 1978. If you get three of the same symbols in any horizontal row (three cherries, oranges, stars, bells, sevens or bars) you're a winner. One interesting feature of this game is that any ticket with one or more cherries also wins a prize. So a player can win with one, or two, or three cherries.

Each ticket has three horizontal rows of symbols covered with a protective rub-off coating. Scratch off the covering and every ticket gives the player three chances to win one of eight

possible prizes.

"Michigan Jackpot" has over 34 million tickets printed for distribution. The eight instant prizes range from a "Free Ticket" to \$5,000. There are over \$13 million in cash prizes, plus over 5 million chances for "Free Tickets". The ten Grand Prizes go from \$10,000 minimum to a first prize of \$1 million. On the average a player has one chance in four of purchasing a winning ticket (1:3 817).

Find In Any Horizontal Row

| Horizontal Row | Prize |
|----------------|-------------|
| One Cherry | Free Ticket |
| Two Cherries | \$2 |
| Three Cherries | \$5 |
| Three Oranges | \$50* |
| Three Stars | \$100 |
| Three Bells | \$200 |

Giant Goober

What's that? It's a giant peanut! And it's held by Bob McGrath, the "Bob" of TV's "Sesame Street." Bob has two opinions about peanuts — good and bad. They're nutritious food. But he's helping the American Lung Association warn that peanuts are easy for young children to swallow "the wrong way." Once lodged in the lung, a peanut can seriously damage young lung tissue. Peanuts should be kept away from toddlers, say the Christmas Seal people, and older children should be cautioned to chew them well and swallow them carefully.

Watch for Highway Rip-offs, AAA Warns

Automobile Club of Michigan warns drivers heading for the sunny South that some service stations along I-75 in Georgia and Florida are swindling out-of-state customers and suggests what to do to avoid rip-offs.

"Triple-A has received complaints from hundreds of motorists saying they were victims of scare tactics, high-pressure sales efforts and even sabotage of their automobiles at stations along I-75, I-95, I-10 and I-4," an article in the December Michigan Living/AAA Motor

News reports.

The article, "I-75 in Georgia — Rip-off Road," states that the administrator of Georgia's Office of Consumer Affairs has thrown the light of publicity on the many complaints of rip-offs, even at major-brand stations.

The publication tells what happens to out-of-state cars that pull into a rip-off station. The driver and family head for the restrooms and the attendant lifts the hood. A razor is sometimes used to cut belts or hoses. An Alka-

Seltzer tablet may be dropped into the battery causing an explosion, smoke and flame after the cap is replaced.

The attendant may check the engine oil, but not insert the dipstick fully into the crankcase in a technique known as "short sticking". When the driver returns, the attendant points out the need for new belts, hoses, battery or oil.

Auto Club suggests these steps to avoid rip-offs or to cope with them if they occur:

- Have the car thoroughly checked by a reputable mechanic before the trip.
- Never leave the car unattended. Watch everything the attendant does.
- Personally check the tire pressure each morning. Do not let attendants check tires unless one is low or damaged.
- Be skeptical of suggested repairs, especially if pressure or scare tactics are used. Get a second opinion from a nearby station if in doubt.
- If victimized, get a receipt showing the name and location of the station. Insist on taking replaced parts. Complain to the oil company if there is evidence of a swindle. Major oil companies have consumer relations departments to handle such complaints.
- Notify local police if a car is damaged. In Georgia, report any incident to the Office of Consumer Affairs by calling toll-free 1-800-282-4900 at no cost.

Don Williams Elected National Director of Ski Patrol System

Donald C. Williams of Birmingham, Michigan has been elected National Director of the National Ski Patrol System, Inc. Williams will be responsible for directing the 24,000 professional and volunteer patrolers along with over 800 patrols throughout the United States and an International Division. Don is Vice-President of P.H. Williams & Son, Inc., a general contracting firm which is also located in Birmingham. He and his wife, Lois are the proud parents of a son, Chris and daughter, Kelley. He is a graduate of Michigan State University from which he received a degree in Civil Engineering. His hobbies are skiing, flying and hockey. Williams first patrolled at the Grayling Winter Sports Park, known now as Hanson Ski Area in Grayling, when it reopened after the end of World War II. It was at the Grayling Winter Sports Park, near his summer residence on Lake Margrethe, where he first learned how to ski by trial and error as ski instructors were unknown at that time. In 1953, he joined the National Ski Patrol System and for the last 25 years he has served in practically every position the patrol has. The ski patrol positions which he has held have ranged from Patrol Director of numerous patrols of which he has helped to start, including the Boyne Mt. Patrol and Boyne Highland Patrol where he was the first National Ski Patrol Director. Also, he was Section Chief of two separate sections in separate parts of the state, Region Director and Division Director of the Central Division. Williams, also, serves on the Department of Labor, State of Michigan, Ski Area Safety Board, which is responsible for the licensing of all ski lifts in Michigan. He has served on this board since its inception and has continually been reappointed by both Democratic and Republican Governors. Through Mr. Williams efforts, the National Ski Patrol System in the Central Division which comprises the great lake states, grew to become one of the best organized and respected in the system. These efforts were rewarded by the Board of Directors of the National Ski Patrol System, Inc. by electing him their National Director at Knoxville, Tennessee. The function of the National Ski Patrol System, Inc. and its local patrols is to encourage safety among skiers and to offer rescue and first aid to persons injured while skiing. The ski patrolers can be identified by their rust-colored parkas with a large gold cross on the back. The NSPS is made up of men and women from all walks of life, some volunteers, some professionals, all of whom have passed rigid tests in the areas of first aid, skiing proficiency, toboggan handling and rescue work. The system whose headquarters is in Denver, Colorado, consists of Sections, Regions and Divisions all of which carry on the policies of safety and rescue set by the National Board. The National Ski Patrol System works closely with other organizations interested in promoting skiing and skiing safety. Including the United States Ski Association, National Ski Area Association, National Safety Council, American Red Cross and the U. S. Forest Service.

Sweet Adelines Activities

The Christmas Holiday Season opened for the Mid-Mitten Chapter Monday, November 27th, when the chorus travelled to Grayling to sing outside as part of the Christmas Parade and lighting of the tree. It was so cold, however, the greater share of the crowd departed for warmer places, so we ended up singing to a few hardy souls only. All was not lost, as the chorus remained to rehearse.

Sunday, Dec. 2nd, found us at the Roscommon High School Choral Room between 3 and 9 for our first coaching session with Fred Kienitz and John Noteware. It proved to be a very good day of training and we really got a good start on our planned improvement schedule. The chorus showed up in force with only two girls unable to attend. This was very encouraging, because it is very important that everyone participate to make the hard work show. Our next coaching session is scheduled for January 6th at the Houghton Lake High School. At this time sections will meet separately, with the baritone section meeting at 3 p.m., tenors at 4:30 p.m., leads at 6:30 p.m. and basses at 8 p.m.

Next week, December 13, rehearsal will be held at Houghton Lake due to a concert being held at the Roscommon School. On December 21, on a Thursday, we will meet in Grayling to sing at Ausagra Acres and then on to our own Christmas Party at John and Susan Noteware's home.

District Court

The following appeared before District Judge Francis L. Walsh in 83rd District Court last week:

Todd Harmer, age 18, Grayling, plead guilty to a charge of receiving and concealing stolen property under \$100 and was fined \$85 or 10 days in jail and placed on probation for one year. He was also ordered to make restitution of \$40.

William Clayton Kellogg, Jr., 19, of Grayling, demanded preliminary examination on a charge of felonious assault. The 12-day period was waived, and a \$1,000 personal bond set.

Ronald Earl Kage, 19, of Troy, plead guilty to a charge of reckless driving and was fined \$65 or seven days in jail.

Ann Marie Hoesli, 18, of Grayling, plead guilty to a charge of impaired driving and was fined \$185 or 14 days in jail.

and with such graceful movements, like slow motion. When the sun touched his feathers there was a blue-purple shine that Rembrandt would envy. And he had his lunch in his mouth which made him snicker that us. Yes we came back empty handed but over flowing in our hearts and in our heads with the beauty we had seen this morning. We have been alone all this time, not another human-being or canoe to blur the landscape, a real wilderness experience. Thanks to you both Adam and I are hooked on fly fishing. So will Don as soon as we can get him waders.

Don was soaking up the sun in front of the cottage when we got back. He had been swimming and was getting hungry, so we changed clothes and went into town for a hamburger and a look around and to buy more flies. Seems I lost a few also!!

We had dinner at the Chief Shoppenagon on Saturday night and the tables were as beautiful as ever. Said Hello to Arnie, and remembered us as friends of yours and to say Hi to you both from him. Another night we were at the Arrowhead and had their trout which was super. It was the first time Adam had eaten trout and is now a convert to the best fish he has ever tasted. Eleanor we all had the feeling you were there with us at the table, in spirit if not in fact.

Another day we rented a boat and motor and fished Lake Margrethe and caught and kept a nice 2 pound bass (caught by Don) and ten nice blue gills, caught by Adam and I, cleaned and frozen to come back to Royal Oak. We went down to Reedsburg Dam another day and got one whale of a sun burn for our trouble but had a good time anyway. Back at Lake Margrethe again Don caught another nice bass to add to the one in the freezer. We stopped at Skip's on M-72 and got to talking to a very nice young man about fly fishing.

Seems the Stephens family has bought Skip's (retaining the name) and they seem to know just about every nook and cranny where fish can be found. Told us about the East Branch of the AuSable and to try our luck there some evening. Well off Adam and I went about 6 p.m. thru Hartwich Pines Park thru the woods to a bridge the young man had told us of. Now we put on our waders and gear and into a very narrow stream we step. It is only 4 to 6 feet wide and it begins to widen to 10 to 12 feet and then it happens again! The hatch! However it is not as spectacular as the one we had witnessed before probably because it was narrower and darker here. In fact it was getting darker by the minute and spooky looking in the long shadows. A few fish were jumping but it was hard to cast as the trees and underbrush hung way over the stream and reached out to catch our rods and snag our flies. Naturally as you are unsnagging your fly the very biggest fish is jumping! But for beginners it is getting to dark to the bridge with the last bit of light. Driving back thru the woods we saw the largest buck I have ever seen (out side of the zoo, or mounted on some wall) and three does. Just standing by the roadside, with a look that said, "Well what are you doing in my park at this time of night?" "Go home" and that we did. Another perfect ending to a perfect day.

One morning was too cool and windy to go out so Adam and Don played cards and I curled up and started to read the

book, The Old AuSable. Several hours later I was sorry to hear them say that the sun was out and it had warmed up a lot. That is a very interesting book. Well Adam had brought his golf clubs with him so they decided to go to the golf range and hit a few, but I must come to. Right! So while they hit thru several buckets of balls I sat in the sun talking to the golfers as they went by. The day turned out to be sunny and hot after a slow start, soon I was fried a deep red and so were they. We went to Elias Brothers for a late lunch and then on to Fred Bear Museum as Adam wanted a new pair of sheepskin slippers. Seems his feet are bigger and the old one won't do any more. We bought a big bag of Traverse City cherries and gorged ourselves for several days. All to soon it was time to pack-up and clean-up to come home.

 (2) Absent: Bernadine Dosch, Secretary
 B. Others Present.
 Kent Reynold, High School Principal; Melvin Nunn, Grayling Elementary Principal; David Hawkins, Frederic Elementary Principal; Lacey Stephan, CAFT President; Joe Schrader, Crawford County Avalanche; Ilene Geiss, Herald Times; Maxine Diedrich, Community Member; Dr. Wayne Casler, Community Member; Donald Denton, Community Member; Dorothy Denton, Community Member; Pauline Petrosky, Community Member.
3. Approval of Minutes.
 It was moved by Robert Smock, seconded by Fred Allen, to approve the minutes of the regular meeting held October 9, 1978. Motion carried; all aye.
4. Correspondence.
 The Board was presented with correspondence to all C.O.O.R. area Board members, Superintendents and Principals, and a letter to WOON radio station from Dr. Diedrich.
5. Other Correspondence.
 The Board was presented with the minutes of the October 23, 1978, Board Policy Committee meeting, an announcement of the Teachers Federation sponsored district Christmas Party and the minutes of the October 23, 1978, Board Finance Committee meeting.
- III. Board Operations
6. Michigan Association of School Boards Conference.
 Dr. Diedrich made a presentation on information obtained at the M.A.S.B. Conference held October 25-27. A complete set of notes from each session attended by the Board representatives will be made available to all Board members.
7. Board of Education Work/Study Session.
 It was moved by Mary Allen, seconded by Robert Smock, to schedule a Board of Education Work/Study session on November 20, 1978, at 7:30 p.m. in the High School library.

- VI. Personnel
14. Personnel Actions.
 It was moved by Mary Allen, seconded by Robert Smock, that all personnel actions be confirmed. Motion carried, all aye.
- VII. Miscellaneous
15. Conference Session.
 a. Life Role Competency Program. Mr. Reynolds reported on the Life Role Competency Program that was initiated during the 1977-78 school year. This program is currently being developed by the State Department of Education and 10 selected school districts within the State, and will ultimately result in the instruction of all Michigan students in those skills necessary for adult living. Grayling High School's work in this project was so successful that the State Department of Education has specifically requested the school's continued involvement.
 b. Dangerous Traffic Intersection.
 Mr. Lerg reported having noticed a number of automobiles running the stop signs at the intersection of M-93 and Old 27 near the High School. Due to the potential danger that this creates for district students, he will do a further study of the problem and bring it to the attention of the County Road Commission and the State Highway Dept.
 c. November 7th Election.
 Dr. Diedrich reported on the implications of the November 7th election results. He indicated that while the specific details of how Headlee will be implemented are not currently known, there will probably be no immediate effect on District finances.
 d. Law Suit.
 Dr. Diedrich indicated that a suit had been filed by Mr. Thomas Kent, Attorney, on behalf of Mr. James Jones and his daughter, Erin. The complainants are requesting \$12,000 to repair a chipped tooth that the child received while attending the old Frederic Elementary School in 1975. The matter has been turned over to the District's insurance company for further action.
- VIII. Adjournment
 There being no further business, it was moved by Duane Sloan, seconded by Robert Smock, that this meeting be adjourned at 9:30 p.m. Motion carried, all aye.

COMMISSION ORDER

(under authority of Act 165, P.A. 1929 and Act 230, P.A. 1925 as amended)

Statewide Trout and Salmon Regulations

The Natural Resources Commission, at its meeting on July 14, 1978, under the authority of Act 165, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended, ordered that for a period of five years beginning January 1, 1979, no person shall take or attempt to take any species of trout or salmon from any of the waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below.

Statewide open seasons on all streams and designated trout lakes shall be from the last Saturday in April through September 30 [longer on waters designated by the Director for extended fishing under Act 165] on all trout and salmon. Statewide open seasons on all other inland lakes and the Great Lakes shall be any time for all trout and salmon. Size limits shall be 8 inches on Lower Peninsula streams, 7 inches on Upper Peninsula streams, and 10 inches on lakes. The daily limit for trout and salmon shall be 5 fish singly or in combination but no more than 3 lake trout or splake.

An additional 5 brook or brown trout may be taken from streams from the last Saturday in April through September 30 only.

NOTICE OF FINDING OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT

Dated: December 5, 1978

Crawford County
 Crawford County Court House
 Grayling, Michigan 49738
 Contact: Jan Cornell 517/348-9223

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

The above named County proposes to request the U.S. Department of Housing and Urban Development to release Federal Funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) to be used for the following project:

County Wide Housing Rehabilitation and Community Facilities Improvement, to rehabilitate housing, separate storm and sanitary sewers, construct storm sewers, and improve roads. Village of Frederic, Grayling Township, Grayling City, Crawford Co., Michigan, \$300,000.

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the above named County has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such Statement are as follows: The impact of the proposed project activities on the environment is negligible and, where such impacts exist, they are of a beneficial nature.

An Environmental Review Record respecting the within project has been made by the above named County which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, between the hours of 9:00 a.m. and 4:00 p.m.

No further environmental review of such project is proposed to be conducted, prior to the request for release of Federal Funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the County to the Chairman of the Crawford County Board of Commissioners. Such written comments should be received at (the address specified) on or before December 14, 1978. All such comments so received will be considered and the County will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

Mr. Larry Mattis, Chairman
 Crawford County Board of Commissioners
 Crawford County Court House
 Grayling, Michigan 49738

Funds Available

The Crawford County Board of Commissioners received word on November 28, 1978, that the HUD 3rd Year Final Application has been approved.

Monies in the amount of \$300,000.00 are now available to Crawford County. The allocation of these monies is as follows:

| | |
|-------------------------------|--------------|
| Rehabilitation | \$180,000.00 |
| Administration | 30,000.00 |
| Acquisition - Relocation | 45,000.00 |
| Senior Citizen Center | 10,000.00 |
| Grayling street improvement | 25,000.00 |
| Village of Frederic - streets | 10,000.00 |

Since this is county-wide, more people than in the past two program years will qualify for rehabilitation assistance. Eligibility is based on income guidelines established by HUD. The basic principle of the program is to help people bring their homes up to the minimum code as it pertains to health and safety standards. This program was designed to help improve the quality of life in Crawford County. It is the goal of the Housing Commission to assist the County residents and any resident should feel free to contact the Commission and obtain assistance.

Please contact the Crawford County Housing Commission at the Courthouse or call 348-5584 for an appointment.

Notice of Public Hearings

The Crawford County Housing Commission will hold two public hearings, scheduled for Monday, December 18, 1978 at 3:00 p.m., and on Wednesday, December 20, 1978 at 7:00 p.m., at the Crawford County Courthouse in the Work Room located in the basement.

The purpose of these public hearings will be to discuss the planning stages for submission of a preliminary grant application for HUD Community Development Block Grant - 4th Year Funding. All interested residents of Crawford County are urged to attend.

Camp Shawono Activities

Camp Shawono C.A.A.C. meeting held 11/7/78.

Members present: Julia Kroll, Bruce Haines, Carole & Dick Wieber, Darlene Rowan, Campers Dean, Brian, Bob and Tom.

Mr. Haines gave the statistics for October: 5 new boys accepted, transferred 2, released 5, 11 home visits, 6 truantries (all returned within 24 hour period), average length of stay 6.3 months, 44 total population count at end of the month.

He also reported that Lansing re-certified the license for the camp on October 10th for 2 years.

Dick Wieber agreed to check with someone to come out and work with the boys on the photography project.

Mr. Medler, a teacher at camp, had suggested that the council put on a Christmas party for the boys, staff and staff families, with perhaps a piano player to play Christmas carols for a sing-along, etc. This is to be investigated and see what plans can be made.

Dick was to check on the amount of arrows needed for the archer group and report to Bear Archery to complete their donation to camp.

The campers and staff want to take this opportunity to thank Bear Archery for the large amount of archery equipment which they donated to the camp. It was greatly appreciated by all.

Dick Wieber was unanimously appointed new chairman of the C.A.A.C. to replace Julia Kroll.

Mr. Haines reported that the new position created for the camp of Counselor will soon be filled. Interviewing this month for the position.

The boys volunteered to help clean up Hanson Hills ski area on week-ends before ski season starts. Mostly cleaning up broken glass, tree limbs, etc.

It was suggested that we keep our eyes and ears open for any community projects that could use the boys help on weekends. People can contact the camp or any C.A.A.C. member.

There was an interesting discussion held on truantries, reasons for same and the consequences.

At present there are more boys involved in the G.E.D. program than in the remedial classes.

There was a discussion on the prospects of voluntary or compulsory education for all boys.

The next meeting will be held on December 5, 1978, at Camp Shawono.

Chuck Mires Recieves EMTA Recognition

Chuck Mires, President of Travel Information Services, headquarters at 101 West Federal Highway in Roscommon, was recently recognized by the E.M.T.A.

Mr. Mires participated in the E.M.T.A. Annual Convention at Bay Valley Inn in Bay City by making a presentation on recommendations in developing a quality tourist brochure and methods of marketing through a brochure. Additional sources and materials were offered.

Travel Information Services began three years ago and has Self-Serve Travel Centers located throughout Metropolitan Michigan in industrial plants, banks, union halls, etc. T.I.S. is now in the process of expanding into the market areas of Ohio, Illinois and Wisconsin. Indiana will offer by 1980.

T.I.S. "centers" offer over a hundred different vacation brochures and maps from attractions such as Disney World, Ski resorts in Michigan and Vermont, southern golf packages, Luxury Resorts throughout the U.S. and Canada as well as sections offering selections on camping, canoeing and Canadian vacation spots.

Col. Lippert

(Continued from page 1)

pany, 1st Battalion, 125th Infantry at Alma. In 1951 he was transferred to Headquarters and Headquarters Company, Michigan Army National Guard where he served as the unit's mess sergeant and 1st Sergeant.

Receiving a commission as a 2nd Lieutenant in 1952, he remained with HHD serving as unit commander from 1956 through 1959. He then served with the G-3 (Operations) Section of the 46th Infantry Division until that unit was disbanded in 1967.

Lippert is quite familiar with Camp Grayling, serving as Range Officer at the Camp from January 1969 until January 1971. He is one of the people chiefly responsible for the recent range construction done at the Camp to make it one of the finest range complexes in the country.

He then served as the Unit Training Officer for the Army Guard until his appointment as Military Support Officer in 1975.

Colonel Lippert is a graduate of the U. S. Army's Command and General Staff College at Fort Leavenworth, Kansas and the Industrial College of the Armed Forces.

His major duties will be to supervise the daily activities of the 121,000-acre Camp and coordinate the activities of the 40,000-plus National Guardsmen, Army and Air Force Reservists, Marine Corps Reservists, U. S. Army troops and Canadian Forces personnel who utilize the Camp on a year-round basis.

The Colonel, his wife Marvel and son Kevin will reside at the Camp.

Funds Available For Woodlot Management

Landowners - who own woodlots of ten (10) acres or more - are reminded that funds are available for timberland improvement thru the Forestry Incentives Program (FIP) as administered by the local office of the Agricultural Stabilization and Conservation Service (ASCS). The FIP program of timber stand improvement is designed to increase the quality of privately owned, non-commercial forest lands thru such practices as thinning, pruning or otherwise releasing desirable seedlings or young trees. At the present time, most of the private forest land in Michigan is producing only one-fifth of its potential timber production. This is a tremendous waste of land and resources that can be corrected if the landowner is willing to look at his woodlot as something to be managed and not ignored.

According to Mr. Thomas Bluhm, manager of the Roscommon - Crawford - Muskegon County ASCS office, the FIP program reimburses the landowner 75% of the cost to do the needed timberland improvement. He further explained how the program works, "any interested woodlot owner should file an application with our office and we will have the local Michigan Department of Natural Resources forester visit the woods to determine if it qualifies for the program and what steps are needed for proper management. The forester will also estimate the cost to improve the woodlot. Once the landowner has completed the improvement project, ASCS will reimburse them 75% of the eligible cost as determined by the forester. Unlike many government programs that appear too good to be true, the FIP program has adequate funding to service all anticipated requests," Bluhm commented; "We've never turned down an eligible request because of lack of funds. If anything, we have a lack of requests for the FIP program. Our forests are becoming more important and more valuable each year and the smart landowner realizes this and then looks for ways to increase the value of his timber. The Forestry Incentives Program is just such a tool."

Landowners interested in improving their woodlots in Crawford and/or Roscommon counties, may file an application with the Roscommon Sub-office located at 409 Lake Street, P.O. Box 156, Roscommon, MI 48853. Phone 275-5231.

Air Goes There

Kendra Fligg, 5, explains to college student Debi McGill that the lungs are designed to hold air, not food, buttons or bits of toys. Kendra and Debi teamed up to announce support of the Alpha Xi Delta Foundation for the American Lung Association's campaign aimed at preventing young children from inhaling foreign objects, the major cause of accidental death among kids under age 6 in the home.
